

New Clients at Ranch Hand Rescue Counseling Center (RHR)

RHR has a unique and beautiful setting for our counseling clients. To make the most of your sessions and to ensure the most privacy for you and other clients, please review the following:

Directions: To get to RHR, you turn off of Highway 377 South into the driveway of American Pet Spa and Resort. It is a large sign with flags and statues of dogs. It is between 407 and 1171. Follow the long driveway around to the left and park in the gravel part of the parking lot. Text or call your counselor that you are there. Your counselor will meet you in the parking lot and take you to where you will have your session.

Prepare:

1. To save time, download and complete new client paperwork if you can
2. Wear closed toed shoes
3. Dress for the weather- we meet rain or shine!
4. If it's hot, bring some water

Wait: If you arrive early or are waiting for your child while they are in session you can wait in your car or in the pavilion if it is not in use. Please do not walk around the property as there could be counseling sessions going on just about anywhere. For liability purposes, please do not interact with the animals unless you are with your counselor. There is a restroom at the top of the property in the main building. There is not one in the building labeled American Pet Spa and Resort.

Respect: The American Pet Spa and Resort is a private business who we rent property from and they are very good to us. Please do not park in their paved parking lot unless there is no other parking. We cannot interact with the dogs or cats in kennels, parks, or other areas as they belong to individuals not the ranch.
